As a Primary Care Sports Medicine physician, **Dr. Michael T. Reeder** specializes in the prevention, diagnosis and treatment of sport related injuries. Board certified in Emergency Medicine, Dr. Reeder's interests include non-surgical musculoskeletal medicine, exercise science, sports nutrition, wellness,

cycling and biomechanics. He has had the opportunity and privilege to care for athletes from club, high school and college teams; the Arena Football League and the Olympic Field Hockey program. He has been a team physician and remains an adjunct professor at Mesa State College and has coauthored several sports medicine journal articles with the Mesa State teaching faculty.

medical education and training, as well as recruitment of subspecialty trained surgeons, we endeavor to provide a full range of expert orthopaedic care.

The RMOA physicians, staff and family members are proud members of the local community who realize that our patients are special people – our friends and neighbors.

### Practice Philosophy:

The ultimate purpose of all work in a medical office is helping patients, and every staff member plays an integral role in making this happen. Teamwork and cooperation are the cornerstones of our practice, and everyone's focus is on providing the best possible care and service for all patients.

## Rocky Mountain Orthopaedic Associates

Rocky Mountain Orthopaedic Associates, P.C. (RMOA) is the largest and most comprehensive orthopaedic group between Denver and Salt Lake City. RMOA has served western Colorado and eastern Utah since 1950, and is the best choice for bone, spine, joint and muscle care in the region. RMOA provides consultations and surgery for musculoskeletal conditions, joint replacements, sports medicine, hand and microvascular reconstructive surgery, and spine surgery. RMOA also offers specialized care in the areas of osteoporosis, rheumatoid arthritis, lupus and other autoimmune diseases, along with advanced care in physical medicine & rehabilitation, and pediatric orthopaedics.

The physicians and staff of RMOA are dedicated to being the providers of choice for anyone on the Western Slope with a fracture or an orthopaedic problem. We strive, always, to be responsive to patients and referring physicians and be known for both our service and compassion. Through ongoing
